## Tree Planting, Horse Close Wood

**Saturday 24th February & Sunday 25th February 2018**

**(10:00 hrs - 13:00 hrs)**

Come with your friends and family for an enjoyable day planting trees to enhance this old wood.

This will be a memorable occasion and will leave a lasting legacy in our fine park. A perfect day out!

We aim to plant 600 trees over the weekend to protect some veteran Oak trees on the southern edge of the wood.

Please come for 10 o'clock suitably dressed for digging and planting. Tools provided.

We will work small groups, each with a leader. We'll break for a drink and bite to eat at 11:30.

The wood dates from the 17<sup>th</sup> century. It was included in Capability Brown's landscape, in the 1760s.
